

PAKISTAN FREIGHT & LOGISTICS INDUSTRY LATEST NEWS UPDATE

Pakistan's Prime Minister, Imran Khan Inaugurates 24/7 Pak-Afghan Crossing Terminal at Torkham

Prime Minister Imran Khan on September 18 2019, Wednesday formally inaugurated round-the-clock crossing terminal at historic Torkham border that would help boost bilateral trade between Pakistan & Afghanistan.

Prime Minister highlighted that opening of the terminal 24 hours a day will be key to the economic uplift of the area and with enhanced facilities, trade will increase further.

Trade has already witnessed 50% increase between the two countries as the result of opening of this round-the-clock facility

IMPORTANCE & BENEFITS

- ✓ The move will facilitate import export business
- ✓ The Development will reduce congestion and ease travelling between two countries
- ✓ It will bring paradigm shift in regulating to and fro movement of cargo
- ✓ The border terminal will generate a lot of economic activity and take bilateral trade to its full potential, benefiting both countries
- ✓ This move will trigger greater trade activity up to the Central Asian States
