PORT LINK & HASHMOVE TO DIGITALIZE RAIL FREIGHT FOR DOMESTIC AND INTERNATIONAL TRAINS

We are proud to announce that Port Link, a Marine Group Company and HashMove, a leading global logistics platform have partnered to launch a **digital supply chain platform** with an end-to-end logistics ecosystem.

This is indeed a **stepping stone** to redefine the logistics industry. The HashMove Team visited MICT (Marine International Container Terminal) on 17th May, 2022 and an agreement signing ceremony took place between both parties.

Mr. Sarfaraz Alam, CEO HashMove & Mr. Nasir Pasha, COO & Country Head Port Link signed the agreement on behalf of both companies. We believe this collaboration to digitize rail freight & MICT Dry Dock will not only be mutually beneficial to both parties but will contribute positively to Pakistan's logistics marketplace and Pakistan's economy.

AGREEMENT SIGNING CEREMONY

BEST PERFORMANCE AWARD

Port Link initiatives and performance this year was recognized by HashMove during 2022 HashMove Partner Conference.

Port Link received the **best performance award** by HashMove.
